

ULTIMO Series 11 luxury vinyl planks provide a smart and fashionable alternative to deliver an exceptionally durable flooring product suited to our fast paced, modern lifestyle. To provide peace of mind **ULTIMO** planks have been manufactured incorporating a stable composite core and a robust Vinyl wear layer that improves dimensional stability and prolongs the service life of your floor. Available in 8 colours with a palette inspired from the patterns and textures of nature including two of our most popular Australian timber species.

Using the trusted method of hard-set adhesive installation **ULTIMO** Luxury Vinyl Planks deliver class leading attributes that include great acoustic performance, low maintenance and eye-catching visual appeal.

Perfectly suited for residential, multi-residential and light commercial applications.

Please consult with your supplier for specific site install guidelines prior to installation.
